

RANGE RULES

- Act responsibly at all times.
- If you observe any unsafe conditions, please report them to a Range Safety Officer
- Children under the age of 10 are not permitted to shoot on the range or use the simulator. Children under 10 may participate in youth classes and events specific to their age range.
- Individuals under the age of 21 must be accompanied on the range by a parent or legal guardian who will sign a waiver and remain by their side at all times.
- Firearms will only be uncased or removed from the holster within the shooting booth area. Load and unload all weapons at the bench. No uncased firearms are permitted behind the shooting booth area.
- It is your responsibility to know and understand how to operate your firearm safely, ensure you firearm is in good working order, and understand and use its safety features.
- All first-time members, guests, and other Lake Erie Arms facility users must demonstrate proper knowledge of firearm operation and safety, or they must attend the Lake Erie Arms Range Safety Briefing.
- Eye and ear protection is mandatory for anyone entering the range.
- Always keep the firearm action open, magazines removed and only load when ready to commence firing.
- Always keep your finger off the trigger and outside the trigger guard until you are ready to fire.
- Fire only when safe conditions exist: all shooters must stand in their respective shooting booth and non-shooters must stand behind the booth area.
- Always keep firearms pointed down range in a safe direction.
- Do not pass firearms directly from person to person. Place the unloaded firearm on the bench and allow the next person to pick it up.
- After you are assigned a lane, remain in that lane and shoot only your target in that lane.
- Do not transfer uncased firearms from lane to lane.
- The following types of ammunition are not allowed to be shot at Lake Erie Arms: tracer ammo, incendiary ammo, steel-cored or penetrating type ammo, steel or aluminum cased ammo.
- Any handgun caliber larger than .45 ACP or rifle chambered to 7.62x39 and above must be declared and approved by LEA RSO Staff prior to entering the range.
- Use only the correct ammunition for your firearm as recommended by the manufacturer.
- All shooting must be conducted in a safe, controlled and accurate manner, “dual wielding” or “two gun shooting” is not permitted at any time.
- Any firearm not carried concealed, must be transported in a case or bag to and from the range.
- Shooters who desire to shoot from the holster must be “holster certified” through Lake Erie Arms instructors.
- Upon the command “CEASE FIRE”, stop all shooting immediately, put down your firearm and back away from the firing line. Shooters may not re-approach the firing line or pick up any firearm until a Lake Erie Arms Range Safety Officer gives the signal to resume shooting.
- Never consume alcohol or take drugs before or while shooting.
- Food, drink, gum or any tobacco product is not permitted inside the range. Always remember to wash your hands after you leave the range and prior to eating.
